This document is prepared for publication/use with the EDD Hub website and app. It is written for the current MVP operating model and should be reviewed if the product, payments, jurisdictions, data processing, or delivery model changes.

1. Purpose

This Acceptable Use Policy sets out the minimum standards for using EDD Hub.

It applies to drivers, takeaways, restaurants, business users, admin users and anyone else given access to the platform.

This policy should be read with the Driver Terms, Takeaway Terms, Privacy Notice and other EDD Hub policies.

2. General rule

You must use EDD Hub lawfully, honestly, safely and only for its intended purpose.

EDD Hub is an overflow delivery coordination platform for approved takeaways and approved independent drivers. It is not a customer ordering app, public marketplace, social network, data extraction tool or general messaging service.

3. Account misuse

You must not:

- create fake accounts
- create duplicate accounts
- use another person's account
- let another person use your account
- impersonate a driver, takeaway, admin or customer
- provide false registration information
- bypass approval, restriction or suspension controls
- access role areas you are not authorised to access
- share passwords or login codes

4. Job and request misuse

You must not:

- create fake delivery requests
- accept jobs you do not intend to complete
- falsely mark arrived, picked up, delivered or completed
- falsely report no-shows, cancellations, unsafe situations or disputes
- upload wrong or unreadable slips deliberately
- manipulate job statuses
- attempt to bypass the server-side acceptance lock
- interfere with another user's job
- try to collect a job not assigned to you

5. Data misuse

You must not misuse personal data, customer information, driver information, takeaway information, slip photos, order references, phone numbers, addresses, invoices or platform logs.

You must not:

- copy slip photos unless expressly required by EDD Hub for support
- post slip photos online
- share customer/order information outside the delivery
- use phone numbers for unrelated contact
- scrape, harvest or export platform data without permission
- use platform information for marketing without permission
- retain customer information after delivery unless legally required and authorised

6. Behaviour and safety

You must not use EDD Hub to:

- harass, threaten, abuse or intimidate another person
- discriminate unlawfully
- send offensive, hateful or obscene content
- act aggressively at pickup or delivery
- endanger drivers, takeaway staff, customers or the public
- promote violence or criminal activity
- use the platform while under the influence of alcohol or drugs

7. Technical misuse

You must not:

- interfere with the platform
- attempt to reverse engineer the app
- probe, scan or test vulnerabilities without written permission
- bypass security controls
- attempt to access backend systems without permission
- upload malware or harmful files
- automate actions in a way that disrupts the platform
- overload the platform with requests
- tamper with logs, timestamps or records

8. Uploaded files

You must only upload files that are needed and allowed for the relevant platform flow.

You must not upload:

- malware

- illegal content
- unrelated documents
- excessive personal data
- sensitive information not needed for the job
- images belonging to the wrong customer/order
- documents you are not authorised to upload

9. Admin user standards

Admin users must follow internal data handling rules and only access data where needed for their role.

Admin users must not delete logs through normal use, hide records, silently alter completed job history, misuse uploaded documents, export data without authority or access data out of curiosity.

10. Consequences of breach

If you breach this policy, EDD Hub may:

- warn you
- restrict your account
- suspend your account
- remove your account
- block requests or job acceptance
- report serious matters to relevant authorities
- keep records for legal, safety, fraud, dispute or platform integrity reasons

11. Reporting misuse

Report misuse or safety issues to support@eddhub.co.uk.

Report privacy concerns to privacy@eddhub.co.uk.

Report billing issues to billing@eddhub.co.uk.
