Registered office	1D Cross Street, Perth, PH2 8JQ
Website	www.eddhub.co.uk
App / platform	www.eddhub.app
Support / complaints	support@eddhub.co.uk
Privacy contact	privacy@eddhub.co.uk
Billing contact	billing@eddhub.co.uk
Classification	PUBLIC

This document is prepared for publication/use with the EDD Hub website and app. It is written for the current MVP operating model and should be reviewed if the product, payments, jurisdictions, data processing, or delivery model changes.

1. Purpose

This policy explains how people can ask EDD Hub about personal data, correction, deletion, restriction, objection, portability and related privacy rights.

It should be read with the EDD Hub Privacy Notice.

2. Contact

Send privacy and data rights requests to:

privacy@eddhub.co.uk

General support requests should go to support@eddhub.co.uk.

Billing requests should go to billing@eddhub.co.uk.

3. Who can make a request

A request can be made by:

- a driver
- a takeaway contact or staff user
- a customer whose details appear on a slip or delivery record
- another person whose personal data may be processed by EDD Hub
- an authorised representative acting on behalf of a person, where authority is verified

4. What to include

Please include:

- your name
- your account email or phone number if applicable
- whether you are a driver, takeaway, customer or other person
- what right you want to exercise
- enough information to identify the relevant records
- job ID, run reference, takeaway name or date if relevant

EDD Hub may request evidence of identity or authority before responding.

5. Rights you may have

Depending on the situation and applicable law, you may have rights to:

- access your personal data
- correct inaccurate personal data
- request deletion
- restrict processing
- object to processing
- request data portability

- withdraw consent where processing is based on consent
- complain to the Information Commissioner's Office

These rights are not absolute. EDD Hub may need to keep or use some data for legal, accounting, tax, fraud prevention, safety, dispute, insurance or platform integrity reasons.

6. Access requests

You can ask for a copy of personal data EDD Hub holds about you.

EDD Hub may provide a summary, copy, export or explanation depending on the data and the request.

EDD Hub may remove or redact information about other people where required.

7. Correction requests

You can ask EDD Hub to correct inaccurate personal data.

Drivers and takeaways should also update their account details where the app allows it.

EDD Hub may keep a record of corrections where needed for platform integrity, audit, legal or dispute reasons.

8. Deletion requests

You can ask EDD Hub to delete personal data.

EDD Hub may not be able to delete all data immediately if it needs to keep records for:

- invoices and accounting
- legal claims
- fraud prevention
- safety investigations
- dispute records
- platform logs
- document review history
- regulatory obligations

Where deletion is not possible, EDD Hub may restrict or minimise use where appropriate.

9. Account closure

Closing an account does not automatically delete every record.

EDD Hub may retain records after account closure where needed for accounting, legal, dispute, security, safety or platform integrity reasons.

10. Slip photo deletion

Uploaded slip photos are normally deleted after 30 days unless attached to a dispute, issue report, safety concern, payment issue or investigation.

If a slip photo is linked to an active dispute or legal issue, it may be kept for longer as part of the relevant record.

11. Retention schedule

Data type	Retention period
---	---
Job records	12 months
Billing records	6 years
Invoice records	6 years
User accounts	Until deleted, closed or suspended, subject to legal/accounting requirements
Issue/dispute logs	24 months
Uploaded order/slip images	30 days unless attached to a dispute
Insurance, licence, MOT and right-to-work documents	While driver is active and for a reasonable period after account closure
Driver profile photos	While driver account is active, then deleted after account closure subject to legal/admin needs

12. Response time

EDD Hub will respond to data rights requests as soon as reasonably possible and normally within one month, unless the request is complex or the law allows more time.

EDD Hub may ask for clarification if the request is unclear.

13. Refusing or limiting a request

EDD Hub may refuse, limit or delay a request where legally permitted, including where a request is manifestly unfounded, excessive, repetitive, not verifiable, affects another person's rights, or conflicts with legal/accounting/dispute obligations.

If EDD Hub refuses or limits a request, it will explain the reason where appropriate.

14. Complaints

If you are unhappy with the handling of a privacy request, contact privacy@eddhub.co.uk.

You also have the right to complain to the Information Commissioner's Office.
