Classification	PUBLIC

This document is prepared for publication/use with the EDD Hub website and app. It is written for the current MVP operating model and should be reviewed if the product, payments, jurisdictions, data processing, or delivery model changes.

1. Purpose

This declaration is for takeaway/restaurant registration, onboarding and account review.

EDD Hub may require takeaway users to accept this declaration in the app before approval and when account details or legal documents change.

2. Takeaway declaration

By registering a takeaway/restaurant account and using EDD Hub, I confirm that:

- I am authorised to register and operate the takeaway account.
- The business information I provide is accurate, complete and up to date.
- The pickup address and city are correct.
- The billing email is correct.
- The takeaway will provide any required payment method or billing setup.
- The takeaway is responsible for its own food orders, customer relationship, food safety, packaging, customer communication and refunds.
- The takeaway will upload only correct, clear and readable slip photos.
- The takeaway will not upload unnecessary personal data or unrelated documents.
- The takeaway will check the accepted driver's name, profile photo and job ID/run reference before handing over bags.
- The takeaway will set driver payment honestly and pay the driver directly using its existing arrangement.
- The takeaway understands that EDD Hub does not handle driver payouts in the MVP.
- The takeaway understands that platform fees are separate from driver payment.
- The takeaway will pay EDD Hub invoices by bank transfer when due.
- The takeaway understands that bank details appear on invoices only.
- The takeaway understands that unpaid invoices may restrict the account.
- The takeaway will report disputes truthfully.
- The takeaway will not misuse driver, customer or platform data.
- The takeaway agrees to the latest EDD Hub Takeaway Terms, Privacy Notice and applicable policies.

3. In-app checkbox wording

Use this exact checkbox text at registration:

I confirm that I am authorised to register this takeaway/restaurant, that the information provided is accurate, and that I agree to the latest EDD Hub Takeaway Terms and Privacy Notice.

Use this exact checkbox text when legal documents are updated:

I agree to the latest EDD Hub Takeaway Terms, Privacy Notice and applicable platform policies. I understand that the account cannot create requests unless approval, billing and terms acceptance remain valid.

4. Slip photo checkbox wording

Use this every time a takeaway creates a single or bundle request:

I confirm that the slip photo is correct, readable, and only contains information needed for this delivery request.

5. Required takeaway information

Takeaway onboarding should collect:

Requirement	Status
---	---
Business name	Required
Trading name, if different	Required where applicable
Contact person	Required
Email address	Required
Phone/contact number where used in app	Required if call buttons are used
Pickup address	Required
City	Required
Billing email	Required
Payment method/billing setup	Required
Terms acceptance	Required

6. Approval rule

A takeaway cannot create live requests unless:

- account is approved
- city is set
- pickup address is accurate
- payment/billing setup is complete
- billing status is not restricted
- terms are accepted
- account is not suspended or restricted
