Billing contact	billing@eddhub.co.uk
Classification	PUBLIC

This document is prepared for publication/use with the EDD Hub website and app. It is written for the current MVP operating model and should be reviewed if the product, payments, jurisdictions, data processing, or delivery model changes.

1. Purpose

This policy sets out safety and conduct expectations for drivers using EDD Hub.

It should be read with the Driver Terms, Privacy Notice, Acceptable Use Policy and Slip Photo and Customer Data Handling Policy.

2. Safety first

You must not complete a delivery if doing so would put you or another person at serious risk.

If there is immediate danger, contact emergency services first.

You should report safety issues through the app or to support@eddhub.co.uk where appropriate.

3. Legal driving

You must:

- hold a valid driving licence suitable for your vehicle
- keep valid insurance suitable for delivery work
- keep a valid MOT where legally required
- use a roadworthy vehicle
- follow road traffic laws
- drive safely and responsibly
- comply with parking and access rules

You must not use EDD Hub if you are disqualified, uninsured, unfit to drive, or your vehicle is not legally usable.

4. Alcohol and drugs

You must not use the platform, collect orders or deliver orders while under the influence of alcohol, drugs, illegal substances or medication that makes driving unsafe.

EDD Hub may suspend or remove accounts linked to unsafe behaviour.

5. Collection conduct

At pickup, you must:

- act professionally
- show the job ID or run reference
- allow the takeaway to check your profile photo and details
- collect only the correct order/bags
- follow lawful and reasonable takeaway instructions
- avoid aggressive or disruptive behaviour

6. Delivery conduct

During delivery, you must:

- handle food/orders with reasonable care
- keep orders secure where practical
- deliver to the correct location using the information provided
- contact the takeaway only where needed for the job
- use app statuses truthfully
- report issues honestly

7. Customer contact

You may only use customer/order information for the assigned delivery.

You must not contact customers for unrelated reasons, save customer details, share details, or use customer information for marketing, harassment or personal reasons.

8. Unsafe location concern

If you have a genuine safety concern about a destination, you may report or cancel using Unsafe location concern where available.

This may include violence concerns, theft concerns, dangerous access, threatening behaviour, dangerous dogs, repeated scams or another serious safety issue.

This reason must not be misused to avoid ordinary inconvenience.

9. Could not deliver

If you cannot complete a delivery, use the Could not deliver flow where available.

Provide a truthful reason and note. Optional photo proof may be requested in some cases.

10. Behaviour standards

You must not:

- threaten, abuse, harass or discriminate against anyone
- steal or tamper with food/orders
- falsely mark statuses
- use another person's account
- let another person complete jobs under your account
- misuse slip photos or customer data
- act in a way that damages EDD Hub, takeaways, customers or other drivers

11. Reporting issues

Report safety or conduct issues through the app where available or to support@eddhub.co.uk.

Privacy concerns should go to privacy@eddhub.co.uk.

12. Consequences

Breach of this policy may lead to warning, investigation, restriction, suspension, account removal, legal action or reporting to relevant authorities where appropriate.
